FROM:

Chief, Materiel Support Branch/RD/SG/OL

SUBJECT: Inventory Control System Status Reports and Cleanup Effort

REFERENCE: Memo from Chief, Supply Group, OL, dated 31 August 1989, subject as above

1. In accordance with reference memorandum, attached hereto is the monthly exception report for the period ending 31 October 1989. With everyone helping, the line items requiring action were reduced by 3,880. This is out of a total of 15,034 line items which was established using 30 June 1989 as the base line. Also attached is a list of "helpful hints" which we hope will help in cleaning up the system.

2. The reports will continue to be produced and monitored using the 30 June 1989 base line. The comprehensive report will not be forwarded except upon request.

3. Your continued help and assistance in cleaning up the ICS is greatly appreciated. If you have any questions concerning the reports you have received, or what actions should or should not be initiated contact the undersigned or Chief, Expedite Section, MSB on [REDACTED] With your continued assistance the target date of March, 1990 will be met.
